In addition, the certified statement required by 39 C.F.R. § 3035.105(c)(2) is included with this filing as Attachment 2. ¹ PRC Order No. 5823, Order Approving Modification One and Two to International Priority Airmail, Commercial ePacket, Priority Mail Express International, Priority Mail International & First-Class Package International Service Negotiated Service Agreements, Docket Nos. MC2020-178 and CP2020-202, January 21, 2021.

The Postal Service is filing under seal Modification Two, as well as revised supporting financial documents in separate Excel files, for the contract that is the subject of these dockets. With respect to the non-public versions of Modification Two and revised supporting financial documents filed under seal, the Postal Service hereby incorporates its Application for Non-Public Treatment filed in conjunction with its notice dated June 15, 2020, in this docket.² In addition, the Postal Service recently provided notice to all foreign postal operators within the Universal Postal Union network through an International Bureau Circular issued on November 8, 2021, that the Postal Service will be regularly submitting certain business information to the Commission. Some UPU-designated foreign postal operators may have a proprietary interest in such information.³ The circular includes information on how third parties may address any confidentiality concerns with the Commission.

² USPS Request to Add International Priority Airmail, Commercial ePacket, Priority Mail Express International, Priority Mail International & First-Class Package International Service Contract 9 to Competitive Product List and Notice of Filing Materials Under Seal, Docket Nos. MC2020-178 and CP2020-202, June 15, 2020, Attachment F.

³ In addition, in the event of a preliminary determination of non-public status under 39 C.F.R. § 3011.103, or a request for access to non-public materials under 39 C.F.R. § 3011.301, or a motion for disclosure of nonpublic materials under 39 C.F.R. § 3011.400, or a request for disclosure of materials for which non-public treatment has expired under 39 C.F.R. § 3011.401, the Postal Service notes, on Canada Post's behalf that differences in the official observation of national holidays might adversely and unduly affect Canada Post's ability to avail itself of the times allowed for response under the Commission's rules. In such cases, Canada Post has requested that the Postal Service convey its preemptive request that the Commission account for such holidays when accepting submissions on matters that affect Canada Post's interests. A listing of Canada's official holidays can be found at: <https://www.canadapost-postescanada.ca/cpc/en/support/kb/sending/general-information/find-out-operating-hours-on-holidays>.

Each ACR docket has a distinct docket number, such as ACR202#, in which "202#" signifies the USPS fiscal year to which the ACR pertains. The Mailer has the right, in accordance with the Commission's rules, to address its confidentiality concerns directly with the Commission. The procedure for making an application to the Commission for non-public treatment of materials believed to be protected from disclosure is found in part 3011 of the regulations concerning the Commission in Title 39 of the Code of Federal Regulations.

The Parties may execute this Modification in one or more counterparts (including by facsimile or by electronic means such as .pdf format). Not all Parties need be signatories to the same document. All counterpart signed documents shall be deemed an original and one instrument.
